

The Priory Spirituality Center Presents:

Blue Sapphire of the Mind

Saturday November 18th, 2017

9:00am - 3:00pm

Early Christian monastics recognized the penetrating presence of the Divine in creation, the place where we encounter our deepest selves. The call to care for the environment is deeply human and contemplative. This day is based upon the quietly ground-breaking work of Douglas Christie. Participants are encouraged to at least begin reading Christie's *Blue Sapphire of the Mind* before attending.
