

A recommendation from congregant Patti Spencer

I stumbled across this organization, which is an intentional community in NE Seattle and thought you may find it interesting and possibly of interest to congregants.

I believe it covers the Northgate area where there is SHAG housing and many apartments and condos. So it's possible to move into the area without a house purchase.

Patti

North East Seattle Together (NEST)

NEST is a “virtual village” located in Northeast Seattle that also serves as the area’s senior center. We serve the [13 neighborhoods](#) east of I-5, north of the Montlake Ship Canal and south of NE Northgate Way/NE 110th St. Villages are vibrant, intergenerational communities building connections between neighbors. With 180 members, 170 volunteers, over 400 member gatherings and 200 events open to the public each year, NEST is one of the nation’s most active villages. [Learn more.](#)

Our Vision

To live in a community where no one has to grow older alone

Our Mission

To give our neighbors choices for staying independent, active and connected
