# Intuition Circle

**3rd Saturdays at noon**

**with James Tierney & Annie Christensen**

**Make a date to play with your Intuition!**

We're all intuitive.

We don't all listen to that "*still, small voice".*

Join James and Annie to learn what intuition is - and is not - and to experience for yourself the amazement in an Intuition Circle. Lots of practice, and lots of play!

We are all connected.
Intuition demonstrates this.

Love Offering
