

Being Alive lyric only Sondheim (arr Eleri Ward)

Someone to hold me too close, Someone to hurt me too deep
Someone to sit in my chair, And ruin my sleep
And make me aware of being alive, being alive

Someone to crowd you with love, Someone to force you to care
Someone to make you come through, Who'll always be there
As frightened as you, Of being alive, being alive, being alive, being alive

Somebody need me too much, Somebody know me too well
Someone to pull me up short, and put me through hell
And give me support for being alive, make me alive, make me alive

Make me confused, Mock me with praise
Let me be used, Vary my days
But alone is alone Not alive

Somebody crowd me with love, Somebody force me to care
Somebody let come through, I'll always be there
As frightened as you, To help us survive
Being alive, Being alive, Being alive
