Sometimes we fall down and can't get back up
We're hiding behind skin that's too tough
How come we don't say I love you enough
Till it's too late, it's not too late

Our hearts are hungry for a food that won't come
We could make a feast from these crumbs
And we're all staring down the barrel of a gun
So if your life flashed before you, what would you wish you would've done

CHORUS: Yeah gotta start

F G

Looking at the hand of the time we've been given here

C F

This is all we got and we gotta start thinkin' it

F G

Every second counts on a clock that's tickin'

C F

Gotta live like we're dying (repeat chorus chords)

We only got 86 400 seconds in a day

To turn it all around or throw it all away

We gotta tell 'em that we love 'em while we got the chance to say,

Gotta live like we're dying

VERSE2:

Well if your plane fell out of the skies

Who would you call with your last goodbyes

Should be so careful who we leave out of our lives

So when we long for absolution, there'll be no one on the line
