

DIRECTIONS TO MELISSA & RICK'S HOME
(19419 Military Road South, SeaTac)

DO NOT TRUST online mapping sites. Here are trustworthy directions:

I-5: Take I-5 to the 188th – Orillia exit.

Stay right on to 188th. On 188th, get quickly into the left lane and turn left onto 46th Street at the first stop light. There is a gas station on the left hand corner. Take 46th for until it ends, then take a Right on to Military Road (no sign). SLOW DOWN!! You are about 3 blocks from the **Right** turn into our cul de sac. There are two big, yellow arrows directing you along a curve in Military road. Turn right immediately after the second arrow. You will see Fire Post #38. Turn down the road before you pass the fire post (light blue house is on your right). See Parking below.

Highway 99: Drive as if you were going to the airport but pass the 146th Street exit. Watch for the sign over the highway to Des Moines (left lane). Stay in the left lane and the road will end in a right turn on to 188th Street. Take 188th across International Boulevard (99) and continue past the YMCA to a right turn on to 46th Street (Tyee High School on left). Take 46th until it ends, then take a Right on to Military Road (no sign). SLOW DOWN!! You are about 3 blocks from the Right turn into our cul de sac. There are two big, yellow arrows directing you along a curve in Military road. Turn right immediately after the second arrow. You will see Fire Post #38. Turn down the road before you pass the fire post (light blue house is on your right). See Parking below.

Parking: There are four parking spaces in front of our house. If these are filled, you can park along the stretch of gravel road right beyond the right turn to our house.

Our address is 19419 Military Road South. When you walk down the cul de sac, you will go left at the huge trees and see a navy blue house & house number (19419). That is us.
